This is an ideal opportunity for a student enrolled in post-secondary studies with a keen interest in solid waste management and sustainable initiatives and to gain valuable hands-on experience by working within a local government environmental services department.

Responsibilities and Duties:

Reporting to an Operations Supervisor, the employee will assist with environmental services operations, recycling programs, and seasonal maintenance. Duties will include:

- Manual labour for construction and maintenance projects
- Assist with building and site maintenance
- Assist the department staff with other special projects
- Brushing and weed whacking
- Litter clean-up, painting, and general maintenance
- Other duties as required

Skills and Qualifications:

- Preferred post-secondary education and familiarity in manual labour projects
- Physically fit and willing to work outdoors in all weather conditions
- Experience with motorized tools
- Safety conscious
- A self-starter with the ability to work individually and as part of a team
- Valid BC driver's license and ability to independently travel within the region as required

Resumes will be accepted until 4:30 pm, Monday, March 17, 2025, and should be addressed to:
